Secretary - Renate Beard
Treasurer - Margaret Street
Public Officer - Steve Heelis
Junior Development - Christy Ward

CHVA Administration - Ph: 0407 007 452

Dear Parents

The CHVA is seeking your co-operation to ensure the sport of Volleyball is well represented at your child's school. Volleyball is a sport that tends to get pushed into the background behind Basketball and the football codes. Volleyball at the high school level has competitions that your child could enter and many times children are picked to fill school teams that have never played before.

We would like to have your school well represented at future events by teaching children how to play this great game. Starting at year 7 will allow us to have players picking up the skill and then continue to develop until they take to the courts for their school in year 10, 11 and 12.

Mr. Adrian Pickup Manager of Sportz Central and Christy Ward from CHVA are qualified Volleyball coaches who are at present at Orara High School with all the year 7 students teaching the skills of Volleyball to those children.

Orara High school was used due to its proximity to Sportz Central to gauge if the interest is there. The exercise is proving to be worthwhile to both volleyball and the school.

Our aim now is to expand this theory into your school and the other high schools in Coffs Harbour.

Adrian and Christy also have the backing of this association and the support of Local player's who will be assisting them with the coaching.

The aim is to start a junior volleyball competition on a Thursday afternoon at Sportz Central. Two courts will be available on Thursday afternoon between 4:30pm and 6:30pm. Your child if they are interested will be coached during these times then play games until 6:30pm. The cost for this playing/coaching session will be \$4.00 per week and this will cover player insurance and court hire.

If you would like your child to be taught the skill of volleyball then please fill in details on the reverse side of this letter and return to your school PE department.

We will be starting this coaching on Thursday 28th August 2008 at 4:30pm.

If you or members of your family would also like to play volleyball we have a competition playing on Thursday nights that allows both male and females to play in the same team. Visit the volleyball website on the following link www.chva.org.au .

Yours in Sport
